COMPLETE Urban is a multi disciplinary design company that specialises and takes pride in the fields of, Engineering, Project Management, Landscape Architecture and Architecture. COMPLETE has a strong reputation for quality and service in the government sector.

We seek the best and have an excellent opportunity for an experienced Civil Engineer to join our team in our Gold Coast office on either a contract or permanent basis.

You will be part of a dynamic team. You will assist with all tasks associated with our Civil Engineering Projects and Programs.

Our projects vary from detailed traffic and roads design projects through to water / environmental management projects.

We offer challenging work and a culture that takes a collaborative approach and a strong desire for people to work proactively in a multidisciplinary environment.

To join our team we are looking for the following attributes:

- Design experience of 5-10 years industry relevant experience.
- Relevant formal tertiary qualification in Civil Engineering.
- Experience and knowledge with Government Civil and Infrastructure Projects.
- Experience and knowledge with Road Design, Traffic, and Transport Design.
- Experience with relevant Design software, like AutoCAD and 12D
- Experience with Stormwater Drainage and Flood Modelling.

To keep you motivated, your responsibilities will include but of course are not in any way limited to:

- Involvement in all Civil Engineering / Infrastructure activities
- Assisting in preparation of civil designs concepts, drawings and documentation plans, specifications and estimates.
- Assist in the review and comment of civil design projects.
- Working within our ISO 9001 accredited quality system.
- Assisting and working with the project management staff to ensure projects are planned and resourced to meet both project and corporate objectives.
- Guiding and assisting our junior engineering staff.

To be truly successful in this role you will have the knowledge and an ability to work as team member and, of course, a friendly, approachable personality combined with a good sense of humour and the ability to interact well at all levels in the organisation is important too.

COMPLETE has a strong vision for growth and in return for your ability to successfully fulfil this role, you will receive a competitive remuneration package, a friendly work environment and COMPLETE will assist and support your career vision.
